## How do we use this book?

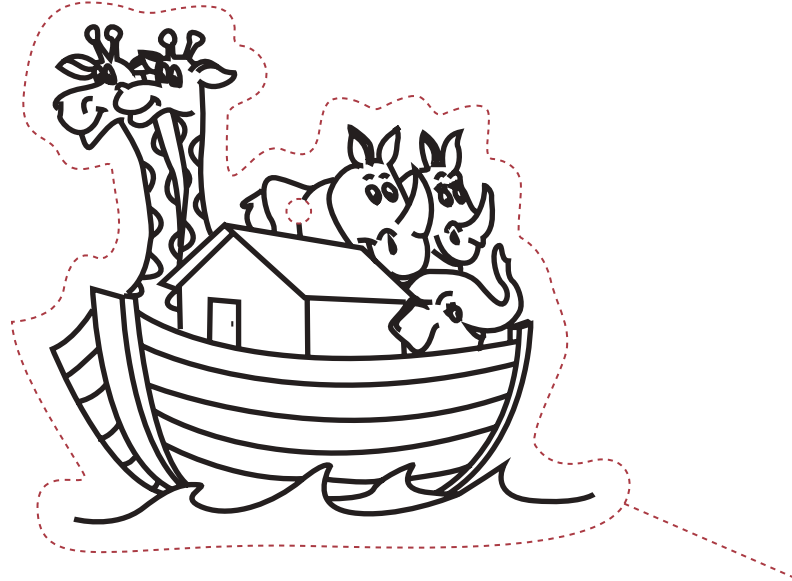

This ornament book is to be used in conjunction with the Austin Stone Advent Family Devotional. As you read the Bible story each day, invite your child(ren) to color the corresponding ornament picture. They can either color while you read or afterwards.

Once the picture has been colored, cut the ornaments out and display them however works best in your home—on your family Christmas tree, on a separate tree, along a piece of twine, around a doorway, etc. And as the number of pictures displayed in your home grows, we pray that your family's joy in celebrating the birth of Christ will grow as well.
