# Sunday, March 22, 2020

*And let us consider how to stir up one another to love and good works, not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near. - Hebrews 10:24–25*

## How to Use This:

We have compiled a list of activities from our lesson that we prepared for Sunday. Our hope is to provide you with something to do at home with your kids since we will not be having services. Lifeway has graciously allowed us to share the curriculum content online for a limited amount of time due to the current circumstances. **This page will only be available until Wednesday, March 25, 2020.** So take time to enter into their world and see what it is like in Kids Ministry each Sunday. This week we are learning about how God Called Jeremiah, and we have included a [video explanation](#) from The Bible Project to help you as you talk about this with your children. We recommend you watch this before teaching your children this lesson. You can also worship at home with our [Only Jesus Videos](#).

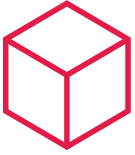

If your children are joining you in watching the Worship Service stream, we have created this [resource](#) for them to take notes, and join you in worship.
